By Invitation and pre-paid RSVP only. Limited capacity, so get your spot early. This is a Christian dance. If you have any questions regarding the type of dance and the acceptable attire, please visit the website or call 817.715.6685. The purpose of this dance is to provide an opportunity and a venue for young adults, teenagers and families to enjoy the art of dancing in a Godly and right way under the guidance of Biblical principles. The interpretation of these principles by which the event is governed is determined by the Dance Coordinator.
